

## DANCE CONNECTION NEWS

Hello Dancers and Families!  
Summer is flying by and we are nearing the end of our summer session of classes. We have been having so much fun with our weekly themes (see highlights below).

August will be a short dance month with lessons through August 17th. Your tuition has been prorated for the shortened month.

**Dance Connection will be on a short break for the teachers**

**August 18-31.**

**Classes resume September 4th.**

We have found in the past that many of our students drop the class in August to start elementary school or change childcare centers and our enrollment in some classes dip below our minimum required numbers. This is the perfect time to give our teachers some time off as well as prepare for the dance year ahead.

### **Summer Dance Highlights**

We opened our summer session dancing to the music from the "Trolls" movie. We had lots of fun with our "Under the Sea" unit and Hula dancing unit complete with grass skirts and flower leis.

In July, we practiced marching skills with flags, learned a star jump, and a dance called, "Happy Birthday America," with red, white, and blue

### **August Tuition Reduced**

The tuition amount this month will be prorated due to our short session.

If you have already paid the full month, the extra will be applied to September or refunded back to you if your child will not be continuing in the fall.

streamers. Super Heroes, Beauty & the Beast, and Welcome to the Jungle were some of our favorite units as well.

We will finish our summer session with our new unit Unicorns and Rainbows and enjoy some of our favorite dance activities. As you can see we have had a very busy summer!!!!

**Please remember to contact us if your child will not be continuing in the fall so we can deactivate your account and delete your credit card information so that payments are stopped.**

If your child will not be attending their current location in the fall, and you are interested in other dance options, please call Cyndi at 340-7908. If we have enough interest, and can find a convenient location, a 6:00 pm class will be offered for school age children (K-2nd grade). Please contact us if you would be interested in attending this class.

Enjoy the rest of your summer and we look forward to seeing you again in September. We love teaching your children and watching them grow as dancers!!
